

EIGHT NOTRE DAME ATHLETES CONFESS

TELL AUTHORITIES THEY TOOK PART IN TAYLORVILLE GAME

Eddie Anderson, All-American End, One of the Players—Coach Rockne Was Heart-broken When He Heard News—Anderson Tells Coach They Didn't Circle His End

SOUTH BEND, Ind., Jan. 30.—Eight athletes of Notre Dame University, among them two all-American football players, a championship track man and captains of the basketball and track teams, voluntarily today confessed to school authorities that they had played in the semi-professional football game at Taylorville, Illinois, last November which produced the biggest collegiate athletic scandal in the annals of American colleges.

The players insisted that they received no pay and said they agreed to take part in the contest simply as a Thanksgiving holiday lark and without knowledge that the affair was the outgrowth of town rivalry which became so acute that about \$100,000 was said to have been bet on the game.

OWNERS CANNOT GET OUT LIQUOR FOR PERSONAL USE

Supreme Court Holds in Decision Given Monday

WASHINGTON, Jan. 30.—Intoxicating liquors, stored in government bonded warehouses cannot be withdrawn by the owners for their own personal use the supreme court today held in a decision delivered by Justice McKenna and dissented to by Justice McReynolds.

Such liquor can only be transshipped from the bonded warehouses, Justice McKenna stated, "to a wholesale druggist for sale to him for purposes not prohibited."

The court in a previous decision held that owners could withdraw from private warehouses, liquor for their own consumption or for the use of their family or their bona fide guests. Today's ruling marks a wide distinction between private and bonded warehouses.

Justice McKenna on this point said that "mere ownership was not the equivalent" of possession in one's private dwelling and that character cannot be assigned to the bonded warehouses of the government.

The cases before the court, did not, he said, have the effect of depriving those who hold warehouse receipts for their property without due process of law, nor did it amount, he added, to the taking of private property for public purposes without just compensation.

The decision grew out of a consolidation of four cases, all brought against internal revenue collectors to compel them to permit the withdrawal of the liquor.

Those brought by Charles Cornell and George J. Glio, came from St. Louis, Walter Eastes from Kansas City, Mo., and William H. Bryan from Baltimore.

In each case the decision was against the owner of the warehouse certificate.

Cornell purchased spirits stored in bond in the spring of 1917, prior to the ratification of the 18th amendment; Bryan bought his on Oct. 2, 1919, prior to the effective date of the Volstead act, Glio obtained his on Feb. 18, 1920, after the amendment and the Volstead act had become effective. Eastes sold his ownership from August 24, 1917.

LANDIS REFUSES TO MAKE FLAT SCALE

CHICAGO, Jan. 30.—Judge K. M. Landis, arbiter in the controversy between Chicago building trades union and construction men today refused to incorporate a flat wage scale of nine dollars a day in the new wage award to be made public tomorrow and to become effective June 1.

DECLINES JOB AS AMBASSADOR

Berlin, Jan. 30.—Dr. Andreas Hermes, minister of food, has definitely declined appointment as ambassador to the United States. His declination is largely due to leading members of his own party who desired him to retain his post in the cabinet.

AUTHORITY OF COMMISSION NOT LIMITED

Senate Refuses to Interfere in Debt Funding Plan

(By The Associated Press) WASHINGTON, Jan. 30.—By fairly decisive votes the senate refused today either to require congressional approval of the agreement to be entered into with debtor nations by the proposed allied debt refunding committee or to limit the authority of the commission in the matter of offering the time when interest payments on the eleven billion dollar foreign debt shall begin.

Despite an agreement sharply limiting a debate a final vote was not reported. Late in the day when the roll call on amendments began it looked as though the now week old fight would come to an end but a reference to the agricultural bill by one senator brought a tart reply by another that led to further discussion and finally it was decided to recess until 11 a. m. tomorrow. Those in charge of the bill hope to dispose of the measure on that day but many amendments still are pending.

The first statement rejected today was that proposing approval by congress of the bond conversion agreements. It was proposed by Senator Johnson, Republican, California and was voted down 44 to 38. Next the senate rejected 49 to 32, an amendment by Senator Simmons, Democrat, North Carolina, proposing that interest on the converted bonds be paid semi-annually or annually.

Senator Reed, Democrat, Missouri, then proposed that the commission be prohibited from deferring the interest payments by any county for a period longer than two years, but this also was voted down, 44 to 34.

Five Republican senators, Johnson, McNamara, La Follette, and Norris voted for it. Senator Simmons offered an amendment limiting the time for deferring interest payments to three years. This was pending when the senate finally went into a brief executive session preliminary to taking a recess until 11 tomorrow. In the course of debate today there were charges of "snister" influences behind the bill.

DEATH THREAT RECEIVED BY PROSECUTOR

Is in Charge of Case Against Flat Janitors' Union

(By The Associated Press) CHICAGO, Jan. 30.—Special Assistant State's Attorney Edwin A. Raber, in charge of the prosecution of officials of the first janitor's union in Judge John A. Swanson's court was threatened with death in an anonymous letter received just before the afternoon session opened today. The letter was written in a scrawling hand and said that for every conviction obtained there would be a funeral in the state's attorneys' staff.

The State closed its case today. The State gained an important victory during the morning session when Judge Swanson ruled that it could introduce as evidence against William Quessie and nine other officials of the union a resolution which was seized in a raid on the union headquarters in March, 1920. The resolution indicated the penalties against flat owners who did not pay union wages and authorized the collection of these extra amounts above the fixed penalty to reimburse the union officials for time and money spent in making collections from landlords.

DISCHARGE CHRISTIAN SCIENCE TRUSTEES

(By The Associated Press) BOSTON, Jan. 30.—A decree was entered in supreme court today allowing the accounts of Herbert E. Eustace and Paul Harvey, former trustees of the Christian Science Publishing Society, and discharging them from further responsibility in connection with the trust.

The decree was entered it was announced, after payment by Eustace and Harvey to Fred M. Lamson, William P. McKenzie and James E. Patton, the new trustees of the amounts Judge Crosby found they had expended from the trust fund without authority. The fees disallowed amounted to about \$25,000.

Investigation of Theatre Disaster Begun Monday

Several Agencies of the District of Columbia Government Start Them—Senate Also Contemplates an Inquiry—A Recheck Now Shows the Death Toll to be 105

(By The Associated Press) WASHINGTON, Jan. 30.—Investigation of the cause of the Knickerbocker Theater disaster, which caused the death of more than 100 persons was begun today by several agencies of the District of Columbia government with the probability that the senate and house might undertake exhaustive inquiries.

The senate is expected to act tomorrow on a resolution by Senator Capper, Republican, Kansas, calling for an investigation of the catastrophe by a senate committee. Despite the announcement by Representative Mondell, Republican leader, that the house could not authorize an inquiry until District of Columbia officials have finished their investigations, Representative Ryan, Republican, New York, charging that the collapse of the roof was due to faulty construction and would not have occurred had there been proper inspection, offered a resolution proposing an investigation.

District of Columbia commissioners declared they would go into every phase of the tragedy which occurred Saturday night, when the roof, weighted with snow, fell on an audience of several hundred, not only for the purpose of fixing the blame, but of also guarding against possible recurrence of such calamities.

Colonel Charles Keller, engineer commissioner after making a personal survey of the wreckage, declared he believed the cave-in was caused by a defect in material at some point of the roof's support. He stated, however, that it would be impossible now to determine whether there had been any defect in material.

Plans for the support of the roof Colonel Keller asserted, indicate that the capacity for support was greatly in excess of any requirement in a climate like Washington's.

Building inspector Healy also was of the opinion that plans for the construction of the roof were sound and practical and that the necessary tests following construction had been met. Preliminary to an investigation of the disaster the federal grand jury today to the scene of the theater and examined the wreckage today. Witnesses will be called before the jury without delay.

Convinced that all bodies had been removed from the debris the search for dead was halted today by officials in charge of rescue work which had gone on continuously for forty hours. The last body was removed from the wreckage late last night. Inspector Healy ordered the walls of the theatre razed at once as a safety precaution.

Casual recheck of the dead indicated tonight that if no more of the injured died the death toll would be 105.

Reports that three additional persons had died were unverified. A dozen persons in hospitals, however, were reported in a critical condition tonight altho E. H. Shaughnessy, second assistant postmaster general was said to be greatly improved. More than 100 persons sustained injuries of more than a minor nature and were taken to hospitals.

The tragedy caused the postponement today of practically all social affairs planned for the week.

With the exception of five motion picture houses controlled by the corporation which owned the Knickerbocker theaters in the city were open today advertisements in newspapers assuring the (Continued on Page Four.)

JAPAN AND CHINA FINALLY SETTLE SHANTUNG FEUD

Five Powers Reach Agreement on Naval Limitation

(By The Associated Press) WASHINGTON, Jan. 30.—Japan and China virtually settled their long standing feud over Shantung today while the plenipotentiaries of the five great naval powers were coming into final agreement on the treaty by which they are to limit their sea power in capital ships. The mediatory proposal supported by President Harding was the final basis on which the Japanese and Chinese agreed in principle after a seven hour session of the Shantung negotiations and altho some of the details of the phraseology remain to be worked out, a final settlement is expected by tomorrow night.

The naval treaty text finally was completed at a meeting of the naval committee of fifteen and a plenary session of the arms conference was called for Wednesday to announce the covenant to the world.

The fortifications article, the last remaining problem, was settled by an agreement under which the fortifications status quo in the Pacific is to include the American Aleutian Islands as well as the Bonin Island group of Japan.

Tomorrow the naval committee of the whole is to give its formal approval of the treaty in preparation for Wednesday's plenary session and also to meet to begin a cleanup of the few Chinese questions remaining undecided.

In their discussions today which lasted from mid-afternoon until late at night the Japanese and Chinese centered their attention upon the key problem of the Tsingtau-Tsinanfu railroad which with the good "offices" of President Harding, Secretary Hughes and Arthur J. Balfour had concerned themselves. The proposal given approval in substance provided that China pay for the railroad in fifteen year treasury notes with a five year option and that Japanese experts be retained during the payment period in some departments of road administration but under a Chinese superior official.

With the naval treaty and Shantung definitely out of the way only a very few collateral issues will stand in the way of a final adjournment of the conference.

MENACE IS SEEN IN THE VALUATION CLAUSE OF BILL

Gives Wholesalers Making of Tariff Speaker Says

(By The Associated Press) WASHINGTON, Jan. 30.—The American valuation clause of the Fordney tariff bill "is in reality nothing more than a 'domestic prices clause' which surrenders the making of tariff rates to American wholesalers, backed by selfish manufacturers," H. E. Miles, of Racine, Wis., chairman of the fair tariff league and former vice-president and director of the national association of manufacturers, declared in an address before the tariff convention of the latter organization.

The meeting which began this morning was called to urge immediate action on the tariff bill embodying the "American valuation plan."

A resolution was adopted later urging that the provisions in the pending Fordney tariff bill be retained that provision for American valuation by American appraisers in America. A committee was appointed to present the congressional views to the congressional committee and executive officers of the government concerned with the tariff measure.

CONFERENCE ON RAIL SITUATION

(By The Associated Press) BELFAST, Jan. 30.—John Miller Andrews, Ulster minister of labor, accompanied by parliamentary Secretary Gordon, left for Dublin today to confer with Joseph McGrath, minister of labor in the all-Ireland cabinet, regarding the railway situation. This is the first instance of a conference between Ministers of the Northern and Southern governments since the recent meeting between Sir James Craig, the Ulster premier and Michael Collins, head of the Irish provisional government.

STATE MAKES HARD FIGHT TO PREVENT SEPARATE TRIALS

Two Assistant Attorney Generals Assist Mortimer in Arguments Against Motion—Say Two Trials Would Dismember the State's Case—Expect Immediate Ruling

(By The Associated Press) WAUKEGAN, Ill., Jan. 30.—Two assistant attorney generals of Illinois and the state's attorney of Sangamon county today fought to block the efforts of attorneys for Governor Len Small and Vernon Curtis, Grant Park, Ill., banker, to obtain separate trials for their clients, who are charged with embezzlement of state funds.

This last and final motion preceding setting of the trial date has developed a legal fight as bitterly waged as any which have marked the six months since the indictments were returned by the Sangamon county grand jury at Springfield, July 2, 1921.

Attorney General Brundage sent two of his aides, Tom Marshall and James C. Wilkerson to assist C. Fred Mortimer, the Sangamon county prosecutor.

The outcome may be known tomorrow when C. C. LeForge, chief of the governor's lawyers, presents the closing argument. It is considered probable that Judge Claire C. Edwards will give an immediate ruling on the point. Arrangement of Governor Small and Mr. Curtis to present their pleas of "not guilty" will follow the court's decision.

Separation of the two trials would dismember the state's case and handicap the prosecution, while giving the defendant not on trial an opportunity to take the stand and testify for his co-defendant, without placing himself in danger, Messrs. Wilkerson, Marshall and Mortimer argued today.

"In a partnership crime of this sort," Mr. Wilkerson said, "those who have faced the hazards of the crime together should face the jury together. In a conspiracy case to permit them to be tried separately is to dismember the state's case and defeat the effort to bring the defendants to punishment."

"I can't see on what theory," Judge Edwards interjected. "Do you mean that if these two men are tried here and acquitted that the verdict can be introduced as evidence in the trial of the other defendant, Sterling?"

"Yes."

Lieutenant Governor Fred E. Sterling, indicted jointly with Mr. Small and Mr. Curtis has not asked a change of venue from Sangamon county and is to be tried there.

Mr. Wilkerson argued that the defendants should have asked for a separate trial at the time they sought the change of venue from Sangamon county so that their case could have been sent to different counties.

The effect of the widespread publicity given the case because of the prominence of the governor is attracting considerable attention from both sides. Mr. Marshall argued today that Mr. Curtis' right to a fair trial had not been jeopardized by the overshadowing public interest in his more prominent co-defendant, as claimed by the defense.

WILL HAVE DRAFT READY BY FEB. 3

LONDON, Jan. 30.—It was officially stated from Dublin tonight that the committee appointed by the provisional government expects to complete the draft of the constitution by Feb. 3. The evacuation of British troops from Ireland continued today, detachments from Tuam, Cahir and Fermoy embarked at Dublin for English ports.

The municipal councils in various parts of Ireland elected Lord Mayors and Mayors today. Cork, Limerick and Sligo chose Republicans.

Stephen O'Mara after being re-elected mayor of Limerick, declared himself as much a Republican now as when he was first elected last year.

Apparently the question of politics did not figure either at Limerick or Cork, where the elections were unanimous. In fact Daniel O'Callaghan of Cork, who is a Republican and voted against the treaty was nominated by supporters of the free state.

CHARGED WITH SALE OF LIQUOR

St. Louis, Mo., Jan. 30.—Michael I. Bachelor, aged 40, who told police he was a salesman from Detroit, was arrested here today and charged with the sale and transportation of liquor. He was later released on bonds of \$1,500.

ADVOCATES OF COUNTY PLAN SEE VICTORY

Hope to Restrict Cook County in the Legislature

(By The Associated Press)

SPRINGFIELD, Ill., Jan. 30.—Optimistic advocates of the county representation plan of restricting Cook county in the legislature expressed hope tonight of securing the required fifty-two votes for adoption as delegates gathered for the constitutional convention which reconvenes tomorrow. Few of Cook county's thirty-eight delegates, a unit against restriction were among the early arrivals, but downstate opponents of the plan were confident that the proposal would never be adopted.

Twelve downstaters are considered as opponents of the county representation plan. They, with the thirty-eight from Cook county, constitute the visible opposition leaving only fifty-two votes remaining and that number is necessary to adopt a proposed article.

There is little indication that all the potential supporters of county representation will be on hand for the closing days of the convention. Opponents of the proposal said. Four downstaters—Delegates Pierce, Tanner, Wall and Whitman were said to be too ill to attend.

Proponents of county representation which give each county one representative in the lower house of the legislature, were counting on desertions from the "insurgent twelve" to put the proposal over. The twelve split with the other downstaters turned down a proposal to limit Cook county to one-third of the senate and seventy-six members in the house one less than a majority. The county representation plan also limits Cook county to one-third in the senate.

Delegate William Trautmann, one of the twelve, expressed belief tonight that the dozen continue to stand together favoring above all a plan restricting the senate to one-third and apportioning the lower house according to population.

These twelve are: Delegates Brenholt, of Alton; Carlstrom of Alton; Metz of Moline; Eyke of Centralia; Gale of Galesburg; Garrett of Rockford; Lill of Mascoutah; Quinn of Peoria; Scanlon of Peru; Torrance of Pontiac; Trautmann of East St. Louis, and President Woodward of Ottawa.

MEN FOUND NOT GUILTY

Chicago, Jan. 30.—William "Sonny" Dunn and Sam Spierling, a taxi-cab chauffeur, were found not guilty on charge of stealing 15 cases of whiskey from a drugstore here last August by a jury in criminal court today. The whiskey was found in Spierling's car. He said he had been hired to transport the liquor but that the passenger failed to claim it. Dunn was arrested near the place where the whiskey was found.

The Greek king is a provident person. A dispatch from Athens tells of his purchase of a country seat to be his home in event he is deposed and his country once more is governed as a republic. It is said that unless certain financial relief comes from the allied nations that the king must leave the throne, and evidently he thinks that the prospect is good for this very thing to happen.

The advantage that a local paper has over the metropolitan publications for late news was proven again Sunday. The city papers that came to Jacksonville while they told of the great storm in the east, gave no news at all of the theatre disaster in Washington, D. C. Of course this was

not true of the editions circulated in Chicago and St. Louis, but was true of the papers sent to mail subscribers.

Of necessity papers sent from the city by mail go to press at 8 or 9 o'clock and news which happens after that hour does not appear in these papers.

Senator Kenyon's proposal for a board to take action in differences between capital and labor has in it suggestions that will merit consideration in the handling of difficult situations. The suggestions came after a committee has made thorough examination of the labor difficulties in the West Virginia mining field. There are some ideas that will appeal to labor and others that will have their disapproval.

Senator Kenyon calls the Kansas industrial court plan an entire failure and labor will applaud. Then he insists upon the right of miners to work in safety whether or not they belong to the union organization.

The United States Chamber of Commerce is suggesting that the government appoint a news agency especially for the purpose of giving publicity to matters relating to transportation. The idea has its merit because as it is now the public does not attach all the weight it should to matters relating to the roads which originates from the railroad managers or from the men in the organizations of the employees. The people have the feeling that too often this news matter is biased.

Another point in the Chamber of Commerce suggestion is that it gives recognition to the fact that the public really has great interest in all the controversies relating to transportation. Too often this fact is lost sight of and people get the idea that the struggle is between capital and labor, between the employers and employees and that they have very little interest in the whole matter. Just the opposite is true.

A DEFENDER OF SENATOR NEWBERRY.

So much has been said in criticism of Senator Newberry that it is surprising to find a magazine like the Forum printing something in his defense. But the following is a part of what George Henry Payne remarks in "Around The Editorial Table" of The Forum for February:

"Those who know Truman H. Newberry did not need any vindication by vote of the Senate. The writer personally happens to know something of the spirit that actuated the former Secretary of the Navy under Theodore Roosevelt. It was at the time that Mr. Newberry was just about to be nominated that the editor of the Forum was asked by Theodore Roosevelt to call on Commander Newberry and assure him that he (Colonel Roosevelt) was most anxious to have him run as he would regard the election of Henry Ford a national calamity. 'The writer gave to Commander Newberry the message sent by

Theodore Roosevelt. We recall most distinctly his answer: 'I wish they could find somebody else to make the fight. I don't want to run. I received the highest honor that will ever come to me in my life when I was a member of the cabinet of Theodore Roosevelt. I don't look for any further honors. I cannot make a fight—I do not intend to make a fight. The matter is absolutely in the hands of those people in Michigan who believe that Ford should be defeated.' 'If any man has been persecuted in this country in the last half dozen years it has been Truman Newberry. He has been subjected to the same persecution and from the same source that faulted Theodore Roosevelt when he had no other desire than to fight on the battle field for his country.'

TALK ABOUT CITY AND COUNTY CONFERENCE

A conference was held Monday morning representing the Farm Bureau, the Chamber of Commerce, the Automotive Dealers association, the Kiwanis and Rotary clubs. The purpose was to discuss the advisability of a joint meeting to be held in this city Thursday evening, Feb. 16, with an address by Prof. W. H. Handsch, of the Illinois College of Agriculture, on the subject of "Getting Back to Normalcy." The purpose of the meeting proposed is to bring about a better understanding between city and the country and a united endeavor to help toward the return of normal business conditions. Definite action has not yet been taken.

DEATHS

Miller.
The infant son of Mr. and Mrs. Luther Miller of 818 East College avenue passed away at the family home at an early hour Monday morning. Interment was made in Diamond Grove cemetery yesterday afternoon.

Moore.
The death of Mrs. Addie Moore occurred at 4:15 o'clock Monday morning at the residence, 920 Ashland avenue. Decedent had been in ill health for a year and her death was not altogether unexpected. The remains were removed to the Gillman Funeral Home and prepared for burial.

The decedent was born 64 years ago in the state of Missouri. She was united in marriage to Charles Moore in 1912 who preceded her in death in 1918. Nearest surviving relatives are two sisters, Mrs. Fannie Strong of Jacksonville, and Mrs. Mary Ann Miller of Missouri, and a brother, David Cook also of Missouri. No funeral arrangements have yet been made.

Higbee.
Funeral services for the late Mrs. Van B. Higbee were held Sunday afternoon at the First Baptist church. There was a large attendance of friends and relatives of the deceased, who was widely known in this city which was her home until a few years ago.

The services were in charge of the pastor, Rev. A. P. Howells, who spoke in a most impressive manner of the life of the deceased, and offered words of comfort to the sorrowing family.

Music was furnished by Prof. W. E. Kritchler, violinist, and Prof. Clayton C. Quast, baritone, of Illinois Conservatory of Music. Before her marriage Mrs. Higbee was a student at the conservatory.

The many beautiful floral offerings were cared for by Mrs. Marie Rutherford, Misses Dorothy Graef, Louise Renner, Clarabelle Megginson and Myrtle Goes.

Interment was made in Jacksonville cemetery, the bearers being Messrs. Herbert H. Vasconcellos, George Smith, Walter Schildman, Leo Johnson, Joseph Doolin and Raymond White.

TWO BANKS MERGED IN AKRON, OHIO

Allen F. Ayers Now Vice President of Strong Institution in Ohio Manufacturing City.

The Akron (Ohio) Times in a recent issue tells of the merger of the Ohio Savings & Trust Co. and the State Savings & Trust Co. Allan F. Ayers, formerly of this city, will become the executive vice-president of the new institution, which starts business with a capital and surplus second only to one other bank in Akron.

A number of the wealthiest business men of Akron are serving on the directory of the new bank. Mr. Ayers is quoted in the Times as follows:

"New York banks in recent months have set an example for other communities by increasing commercial banking facilities thru consolidation and thru concentrated efforts. This Akron consolidation has been brought about for the purpose of increasing the service which this bank can render to the public. Its large capital and surplus enable it to assist in the development of the community and become a more active factor in commercial banking and means one more large bank for Akron."

G. T. LEDGERWOOD GETS PROMOTION

Instructor at State Hospital Goes to Great Lakes Naval Training Station—A. C. Kalhoff Succeeds Him.

G. T. Ledgerwood who has been in charge of the United States veteran bureau training camp at Jacksonville State Hospital the past year, has been appointed educational director of the Veterans' reconstruction center at the Great Lakes Naval Training station.

The Great Lakes station is being enlarged to care for 1200 veterans and when completed will be the largest training center in the eighth district, which is composed of the states of Illinois, Michigan and Wisconsin.

The success attained by Mr. Ledgerwood at the Jacksonville training camp was a mark of merit in his promotion to the larger field of work. He will be succeeded here at the Jacksonville camp by A. C. Kalhoff who has been in charge of a similar camp at Mendota, Wisconsin.

Mr. Kalhoff arrived in Jacksonville Monday and will assume charge as soon as the formalities of checking inventory can be made.

Both the gentlemen are ex-service men. Miss Myrtle T. Lingenfelter, who has been an instructress here, has been ordered to Chicago to assume duties in the district there. Miss Lingenfelter left Sunday night for her new duties.

Maynard Brown arrived Monday to assume the duties formerly performed by Miss Lingenfelter.

Charles Schriz and Miss Lena Schriz left Monday for Lancaster to attend the funeral.

FILM STORY AND SERMON AT WESTMINSTER.

Three reels of "The Passing of The Third Floor Back" were presented before a large audience at Westminster church Sunday night. The people present found the screen story of absorbing interest and forming an appropriate introduction to Dr. Smith's sermon. The minister laid special emphasis upon the advantage there is in seeing good in people and giving them credit for their virtues rather than their faults.

The film story pays tribute to a man who had the happy faculty of making the best of all circumstances and in digging out the good qualities in all the people about him, putting aside their frailties and unattractive traits. The sermon dwelt upon this same line of thought.

Dinner Party for Belleville Guest.
Miss Catherine Cain was the hostess at a charming dinner party given Sunday evening at her home south of the city in honor of her guest, Miss Margery Carr of Belleville, Illinois. Covers were laid for eight guests and a very delicious five course menu was served. Attractive table decorations of American beauty roses were used.

Miss Carr was a class mate of Miss Cain's at St. Mary's college and has often visited in Jacksonville. She has been Miss Cain's guest for the last week.

Relatives Guests At Dinner.

Mr. and Mrs. Albert Crum entertained a number of relatives at their home on Webster avenue, at a dinner given Sunday noon. The guest list included ten Jacksonville people.

Amoma Class Gives Farewell for Member.

The Amoma Bible Class of the First Baptist church gave a farewell party yesterday afternoon at the home of Mrs. W. T. Spires on North Fayette street in honor of Mrs. S. A. Ashby, one of the members of the class who is to leave for Bluffs this week to make her home. Mrs. Ashby has been an active member of the class for several years and during the past two years has been the secretary. She was presented with a handsome gift yesterday and the ladies of the Amoma class expressed their regret that she is to leave Jacksonville.

A delightful social afternoon was spent and dainty refreshments were served. Mrs. Spires assisted in entertaining by Mrs. Alex Rabjohns and Mrs. Jonas Wilson.

L. W. C. Girls Form French Club.

The girls in the French classes at Illinois Woman's college met last evening in the gymnasium and formed a French club which will meet every month. The meeting last night was in the form of a supper served buffet style and followed by social time and the election of officers for the new club. There are seventy five French students and all will become members of the organization. Miss Elizabeth Cooper, the French teacher is in charge of the club and some very interesting plans have been made under her direction for the rest of the year. Meetings will be held once a month and at the end of the year a program of French plays and music will be given.

College Society Had Dinner.

Members of the Lambda Mu society held a dinner party Saturday evening at the Paecek Inn, the affair being in honor of Miss Rachael Davis and Miss Viola Ingerich. The former is to leave Illinois Woman's college shortly to take a position in Robinson, Illinois, and the latter is soon to return to her home in Champaign, having finished the course at the college. The guests included Misses Mary Ellison, Margaret Merker, Nelle Boyd, Dorothy Dean, Estelle Covey, Harriet Keys, Hildreth Ashwood, Gladys Laughlin, Bonnie Olson, Helen Gowdy, Ella Herman.

Chaminade Club At Lane Home.

The Chaminade Musical club met yesterday afternoon at the home of Mrs. B. F. Lane on South Main street. MRS. VAN HYNING MEETS WITH BAD ACCIDENT

Mrs. R. W. Dodswood has gone to Decatur on account of an accident to her daughter, Mrs. Fred Van Hyning, who is a resident there. Mrs. Van Hyning slipped and fell while walking on Church street Saturday night and as a result her right leg was broken in two places. Mrs. Van Hyning is now in one of the Decatur hospitals and her mother will be with her for a number of days.

URANIA LODGE NO. 243 HAD FINE MEETING.

Urania Lodge No. 243 had a fine meeting Monday evening. A large number of cards secured at the big booster meeting last week were presented and referred to the proper committees. The lodge contemplates the initiation of a large class February 27th.

HOWITZER COMPANY PLANNING RADIO

A third radio station is soon to be built in Jacksonville. The Howitzer company is planning to erect what will be the most powerful radio plant yet to be built in this part of the state, provided consent from the government authorities can be obtained. It will be installed on the roof of the Armory Hall.

It is proposed to build both a receiving and sending radio plant. The structure will be ninety feet in length and about thirty feet in height and will permit the assembling of long distance messages as well as sending them a long distance.

Members of the Howitzer company are to construct the plant, the cost of which will be by subscription and efforts are being

made to secure some of the outfit from the war department.

WINCHESTER REVIVAL GROWS IN INTEREST

Evangelist E. E. Violette heard in Strong Semons Sunday and Monday—Cohagen-Wear Nuptials—Other Winchester News.

Winchester, Jan. 30.—The great union revival now in progress under the direction of Dr. E. E. Violette continues to grow in interest and attendance. Many are being taken into the various churches united in the series, twenty being the result of the Sunday night service.

The mass meeting held Sunday afternoon was well attended, and a musical feature was a solo by Mrs. Palmer of Bluffs. At the Sunday night service there was the largest audience which has far attended during the meetings and many could not gain admission.

The subject of the speaker was "The Great Tomorrow." Mrs. S. G. Smith sang the 91st Psalm with orchestra accompaniment.

The subject for Monday evening's sermon was "Who is the Devil?" Mrs. S. G. Smith sang a solo at this service also. Dr. Violette was suffering from a severe cold but delivered a forceful sermon. A quintet has been furnishing some very good instrumental music during the past days.

Tuesday evening the subject will be "A Haunted Man," the 139th Psalm forming the basis for the sermon.

Mrs. Lillian King, Mrs. Lloyd Briggs and Mrs. Byron Galley of Jacksonville were among those in attendance at the union revival service Monday evening.

Many will be surprised to learn of the marriage of Roy Cohagen, son of Mrs. Samuel Cohagen, to Miss Marie Wear, which occurred the Methodist parsonage, Rev. at 7:30 o'clock Monday evening at Carl Corrie officiating. The groom is a young man of splendid character, industrious and upright in all his dealings. He has always resided in Winchester. The bride is a comparative stranger, having come here some months since from her home in Hillview.

The many friends of the young people are extending congratulations and best wishes.

Mrs. Harry Stewart of Chapin was a visitor here Sunday.

Miss Abbie Eddings, R. N., arrived Monday from Jacksonville to visit her parents.

Mrs. Julia Carlton is expected home Tuesday from Decatur. Her brother, R. H. Hankins, who is recovering from a serious illness, is expected to accompany her home.

Mrs. Coultas has been called to Beardstown by the illness of her father, Lee Violette. She will accompany him home Tuesday morning.

EIGHT NOTRE DAME ATHLETES CONFESS

(Continued from page 1)
hurt you and we should have known how you would feel."

Could not Circle His End.
Anderson, a typical clean cut young college chap in appearance, remained silent for some time, while Coach Rockne sat with his head in one hand. Then the athlete said:

"Say Rock, I just want to tell you one thing—that Illinois gang couldn't have beat us in a thousand years if I hadn't had to shift to quarterback instead of playing my regular job of end. And those reports that they circled my end aren't all bunk of course, because I didn't play end. I'm just telling you this because you taught me how to play football and you never taught me to let anyone circle my end. And another thing, Rock, we didn't use any secret Notre Dame plays. We didn't use that shift at all—just straight football."

As Anderson walked out Mr. Rockne said to the Associated Press Correspondent:

"No one but the boys themselves could have convinced me that Eddie Anderson, Chet Wynne, Buck Shaw and such men could do this thing. They were like sons to me. I know they couldn't have done it, and yet they did. It isn't the loss of athletic ability that hurts. It hits me right down in the heart."

After a moment he continued:

"Yes our teams are wrecked, but they're not beaten. We'll take our licks if they beat us next year, but we'll fight to the finish."

For some time the coach busied himself checking up on substitutes and freshmen who were eligible for the school.

He called two or three track men and ordered them out in the snow to practice hurdling in the hope of finding some to replace Wynne in that event.

Weight men were instructed to practice overtime.

"We'll show everyone that we don't quit anyhow," he remarked.

Father Carey in a statement tonight said that he regretted the affair but was certainly thankful it had been cleared up and the guilty persons punished.

"We will stand for no taint or hint of professionalism here, he said, "not even if it wrecks our teams forever. We don't permit a man to play on any team unless he is well up in his studies and we won't permit any other rule to be broken."

"My only regret is that we did not learn of it sooner. The first hint we had it was in the Associated Press despatches. Had Illinois University officials, when they learned of it, come to us frankly we would have welcomed their information and gladly cooperated with them in cleaning it up. When we read the first despatches about the affair, we immediately telegraphed the Illinois authorities asking for any information or leads they could give us. We have had no reply. We sent a man to Carlinville and Taylorville to investigate, but his report is hardly needed now."

Anderson, Wynne and Shaw were three of the most popular players in the school. Shaw was a campus idol and all were described by students today as the "finest and fairest fellows who ever lived."

Shaw told a fellow student that this was the first time in his life he had ever played a football game in violation of school rules.

MANY TEAMS ENTERED IN BOWLING TOURNEY

TOLEDO, Ohio.—(By the A. P.)—Approximately 1038 teams representing 21 states and Canada will be entered in the annual American Bowling Congress tournament to be held here during the month of March. A. L. Langtry of Milwaukee, secretary of the congress, announced today.

With the closing entry date but a week away more than 500 teams have been listed and dates assigned. The final week in past seasons has brought a greater number of entries than during the remainder of the pre-tournament period. The number of teams that have signified their intention to participate leads Secretary Langtry to believe this year will be no exception to the rule and that attendance will set a new record.

Three new states are added this year to the list of A. B. C. entries. They are Alabama, Georgia and California. Two teams will represent Mobile, another two are coming from Atlanta, while San Francisco will send one.

The total entries for the various states are placed by Secretary Langtry as follows:

Ohio 400 teams; Illinois 150; Michigan 100; New York 75; Indiana 75; Pennsylvania 60; Wisconsin 60; Missouri 60; Kentucky 15; Canada 15; Minnesota 12; Iowa 10; West Virginia 5; Kansas and Nebraska 5; Colorado 2; Alabama 2; Georgia 2; Florida 2; New Jersey 2; Connecticut 1; California 1.

CREDIT MEN WILL MEET IN JUNE.

CLEVELAND, O.—(By the A. P.)—The annual convention of the Retail Credit Men's National Association will be held here June 12th to 15th, inclusive, according to information of Cleveland members from D. J. Woodcock, secretary and treasurer of the association, St. Louis.

ANNOUNCEMENT.

I hereby announce myself as a candidate for road commissioner in District Number Four.

DOKAYS DEFEATED NEW BERLIN FIVE

Take Visitors Into Camp by Score of 32 to 12—Second Defeat for New Berlin This Season.

Playing a good brand of basketball the Dokays defeated the New Berlin Independents in David Prince gymnasium Monday night by a score of 32 to 12.

The game was fast and well played but the Dokays had it on their opponents in all departments of the game. It was the second time this season the New Berlin five has met defeat.

Dave Smith, former high school star, was in the Dokays' lineup playing at the pivot position. He caged two field goals.

Wood and Lucas were the stars on the offense for the Dokays, getting 26 points between them. Jones, Covey and Reynolds did good work at the guard positions.

For New Berlin Beers and Breeding did the best offensive work, getting ten of the visitors' twelve points.

Prior to the regular game Troop 2 and Troop 8, Boy Scouts, played a curtailed game. It was a hard fought and exciting and required a five minute overtime period to decide the winner, Troop 2 tossing a basket, winning by two points.

When the game started Troop 8 took the lead which it held for several minutes. Then Troop 2 pepped up and forged ahead. Thirty seconds before the final whistle Tilton for Troop 8 tossed a wicked basket, tying the score.

Reed, Irving and Wetzel were the stars for Troop 2, while White, Tilton, Match and Bolman did the best work for Troop 8.

COACH ZUPPKE TO MEET FOOTBALL MEN

Calls Meeting for February 8—Says Team Played Two Weeks Behind Time Last Year.

URBANA, Ill., Jan. 30.—Coach Bob Zuppke will begin preparations for his 1922 football campaign Wednesday, Feb. 8, when he will meet all candidates for next season's squad on Illinois field.

"Suits will be given to the aspirant's and anybody who expects to make my 1922 team will have to report in uniform ready for work on the first day," Zuppke declared today. "The only exceptions that will be made will be participation on other varsity teams or temporary physical disability of the man."

During the past football season, it was said by most football experts that the Illini team played two weeks behind time, with the exception of the Ohio game, the only conference game the Illini won. This is one of the reasons that Zuppke plans an exceptionally early season this year. It will give him an opportunity to select his material in the spring, rather than play most of the season before picking the best men for the jobs as was the case this last season.

Injuries began early last spring and took a heavy toll, continuing to such a great extent this fall that some suspected the "Zuppke way" was too strenuous in the early season and that the men weakened rather than hardened, or became more susceptible to injuries. However, starting at this early date may prove an interesting experiment, for never before has the football squad been called earlier than March or April.

BROWNS EXPECT TO BE IN THE RACE.

ST. LOUIS, Mo.—(By the A. P.)—With the addition of Pitcher Dave Danforth from the Columbus American Association club and Outfielder Chick Shorten from the Detroit Tigers, Les Fohl manager of St. Louis Americans, declares his team will be in the winning for the 1922 championship.

Manager Fohl expressed the opinion today that his club was strengthened greatly by the acquisition of Danforth and Shorten. Both pitching staff and outfield were improved he said.

Work of signing the players to contracts is under way.

STORE AT ALEXANDER ENTERED BY THIEVES

F. J. Kaiser Suffers Loss of Shoes and Sweaters When Robbers Entered His Store Sunday Night—Other Alexander News.

ALEXANDER, Ill., Jan. 30.—Thieves gained entrance to the store of F. J. Kaiser at an early hour Monday morning and secured two pairs of men's shoes and two sweaters. The thieves forced open the front door of the store. There is no clue as to the identity of the men. Sheriff W. E. Weatherford was notified of the theft early Monday morning.

PEORIA MAN DIES IN FLORIDA
St. Petersburg, Fla., Jan. 30.—Charles Leuthner, 70, of Peoria, Ill., was found dead in a bath tub at his winter residence here Sunday morning. Death was due to heart disease, according to the coroner.

HAS RAISED A NEW STANDARD FOR BAKING POWDER
Because it's made in the most careful and scientific manner from absolutely pure materials that remain pure in the baking and insure wholesome, healthful food.
Because it possesses the greatest leavening power.
Because it is not affected by time or weather—it never loses its strength and never fails.
Because it is more economical—you save when you buy it and you save when you use it.

These are a few of the reasons why Calumet is the standard baking powder—the choice of millions—more being sold than of any other brand.

Try it—always buy it. Your grocer can supply you.

A pound can of Calumet contains full 16 oz. Some baking powders come in 12 oz. cans instead of 16 oz. cans. Be sure you get a pound when you want it.

James Mahoney, Cincinnati grocer, is just beginning to enjoy the thrills of life at 80. His recreation is motor-cycling. "When I'm on a level country road I step on her and travel 70 miles an hour," he says.

MUSICIAN GETS LEGACY.
COPENHAGEN.—(By the A. P.)—A Peterson, a musician, at the Casino Theater here has just unexpectedly received a legacy from a relative who recently died in America, consisting of 12 large farms and 3,500,000 kroner in cash, amounting all to about 10,000,000 kroner (about \$2,500,000).

Peterson's wife was so overcome with the news that her mind was affected and she had to be taken to an insane asylum.

Rockford.—(By the A. P.)—Bids for a reinforced concrete bridge to be built at an approximate cost of \$22,995 at Shiloh will be opened here at 2 o'clock the afternoon of January 24. The new bridge will replace an existing steel bridge, of 113 feet in length.

WILL LEAVE PROBE OF MAGNETO SALE TO FEDERAL JURY

That is Attitude of the Government in the Bosch Case

(By The Associated Press)
BOSTON, Jan. 30.—The government's intention of leaving in the hands of the federal grand jury here its investigation of the sale of the Bosch Magneto company to the American Bosch Magneto company was indicated today in the announcement that John E. Joyce, assistant federal attorney for the southern New York district had been appointed a special assistant to United States Attorney Harris of the district in connection with the matter now before the grand jury here.

Appointment of Mr. Joyce was announced after a conference between Mr. Harris and Thomas W. Miller, alien property custodian, who brought the government records of the transaction to this city. It is understood that certain matters in the records will be brought to the attention of the grand jury before which the government has already instituted its investigation of the sale.

Officials today said that the government was looking into three main phases of the Bosch transaction. One of these was the disposition of the property in 1919 by A. Mitchell Palmer, former alien property custodian to Martin E. Kern. In this connection it was said the question of Kern's citizenship when the transfer was made would probably come up.

The other channels of the investigation it was said were the questions of income returns and of army aviation contracts amounting to about 420,000.

GERMANY WILL HAVE FIRST SKYSCRAPER

Hamburg.—(By the A. P.)—The first skyscraper in Germany will soon be constructed in the old business section of the city of Hamburg. It will be 16 stories high, topping the highest building in Germany at this time by five stories.

Architects believe the erection of this building will institute the era of skyscrapers in Germany, and expect to see a number of similar buildings constructed within the next few years.

Unusual difficulties must be overcome. The city water plant is equipped to furnish water only to the 11th story and this brought up the question of fire danger and insurance, as well as the probability of financial loss in view of difficulties in renting offices on the five higher floors.

Despite these difficulties the promoters have been secured permission to erect the structure "provided the building does not destroy the architectural" of the streets.

INVESTIGATION OF THEATRE DISASTER BEGUN MONDAY

(Continued from Page One.) public that they had been carefully inspected and declared safe by officials. Harry Crandall, manager of the Knickerbocker in announcing that other theaters in the Crandall chain would remain closed until further notice, said this was done, not because any of the theaters were considered unsafe but because he and his associates did not desire to accept money for amusement while the city was mourning for those who lost their lives at the Knickerbocker.

Expressions of Sorrow.
Officials of three foreign governments in statements today expressed sorrow over the tragedy. They were Baron Shidehara, the Japanese Ambassador, Mr. Sarant, head of the French delegation to the arms conference and Minister Brun of Denmark.

The Gridiron club at a special meeting adopted resolutions of respect for two of its members—C. C. Brainerd, Washington correspondent of the Brooklyn Daily Eagle, and Lewis W. Strayer, correspondent of the Pittsburgh Dispatch, who lost their lives in the crash. The club also adopted a resolution calling for an investigation of the disaster.

Revision of the names of dead today brought out that Wyatt McKimmie and Jack McKimmie, both listed as dead were the same person and not brothers, while Miss Frances Bikels, one of the victims, was also listed as "Miss M. C. Bikle." It also was discovered that while Howard W. Knoess lost his life, an error had been made in listing a son as also dead. William Walters, Brooklyn, New York, a student at Georgetown Medical School it was found listed twice among the dead.

These corrections brought the number of dead, at one time given as 108, down to 104 with officials attempting to learn the identity of a Mrs. Davis, whose death was reported. Her death would make the revised total 105. It also was learned today that Mrs. Elmer Barchfeld, the daughter-in-law and not the daughter of former Representative A. J. Barchfeld of Pennsylvania, who lost his life was among the dead.

GOOD SAMARITAN GETS STUNG.

NEW YORK, Jan. 30.—Charles A. Snowden, Sunday school superintendent thought he would be a good Samaritan last week when Mrs. Helen Sullivan complained that a man pinched her leg in a moving picture theater. So he put up \$100 bail for her after it was alleged in court that she was in the habit of being annoyed by men.

Today Mr. Snowden felt that he had been ill repaid. Mrs. Sullivan could not be found when the case against her was called. Mr. Snowden paid the forfeit, and then obtained a bench warrant for her arrest. He said her husband introduced them to each other in 1915.

MAN KILLS WOLF WITH HIS HANDS

Minneapolis, Minn., Jan. 30.—Using only his gloved hands, Arthur Lener, Minneapolis, killed a large timber wolf within the city limits, the first instance of its kind for more than a decade. Lener slew the animal by grasping its hind legs and crushing its head against an iron railing when it attacked him. He collected \$7.50 bounty today.

AMBASSADORS IN CONFERENCE WITH POINCARÉ

No Mention Was Made of the Genoa Conference

(By The Associated Press)
PARIS, Jan. 30.—Myron T. Herrick, the American ambassador to France and George Harvey ambassador to Great Britain were in conversation today with Premier Poincaré for nearly forty minutes. Afterwards the ambassadors said that their talk was of a general nature and that it did not relate especially to the Genoa economic conference or to Franco-American relations.

Reference was made during the interview to the general situation but according to Mr. Harvey and Mr. Herrick the French Premier contrary to expectations failed to take advantage of the opportunity to discuss the attitude of the United States government with regard to the Genoa conference.

It was the first visit of the ambassador to M. Poincaré since he became premier.

The fact that M. Poincaré did not himself bring up the subject of the Genoa conference or Franco-American affairs prevented any definite decision of these questions. The premier asked if there had been any decision regarding American participation at Genoa. He was told that the ambassadors had not been informed of and decision.

LABOR WILL NEVER SUBMIT GOMPERS SAYS

(By The Associated Press)

NEW YORK, Jan. 30.—Samuel Gompers, veteran president of the American Federation of Labor, told delegates at today's session of the National Civic Federation that "Organized Labor would never submit" to the creation of a tribunal for the compulsory adjudication of railroad labor controversies. He characterized the proposal as a resuscitation of a barbaric condition under conditions of unfreedom.

President Gompers' ultimatum was given in answer to a proposal for such a tribunal voiced by Ben W. Hooper, vice chairman and public member of the United States railroad labor board. He also demanded to know to whom Mr. Hooper was referring when he spoke of radical and conservative labor leaders, asking in which class he was listed.

Mr. Hooper replied he did not wish to cast a reflection on Mr. Gompers or the labor movement as a whole but insisted there were "many radicals in the movement."

Mr. Gompers closed his address with the charge that railway officials gave the railroad board railroad figures \$1,250,000,000 in excess of the total actually paid.

"The railroads," said Mr. Gompers, "are not conducted simply for public service and have exhibited a monopoly created by the government."

The labor leader made strong defense of the right of railroad workers to strike.

HEARING ON REPAVING OF EAST STATE STREET

Few Property Owners Attend and But Slight Objections Offered to Project—Other Hearings Planned.

A public hearing was held by the board of local improvement at the city hall Monday afternoon on the matter of the repaving of East State street from the railroad tracks east to Johnson street. Only a very few property owners were present, which in the mind of the members of the board of local improvements means that a great majority favor the paving project. In fact, none of those present made any strenuous objection.

The meeting was called to order at 4 o'clock by E. E. Crabtree, as president of the board, with E. M. Henderson and P. J. White the other members, also in attendance. The property owners present were: A. C. Metcalf, as a representative of Mrs. Eliza Caldwell, M. A. Carlile, E. A. Schoedsack, Mr. and Mrs. F. V. Correa, Capt. F. C. Taylor, William Newman, George E. Reese and Mrs. Grant.

The estimate of Engineer Henderson for this piece of paving is \$20,875, which is approximately \$7.74 per lineal foot. Several property owners asked why the estimate was higher than for the paving proposed last year, and it was shown by the board that the previous pavement plans were for retopping with asphalt and the present plan calls for an entirely new pavement.

F. V. Correa questioned the advisability of removing the curbing, which adjoins his property, and it was explained by Mr. Henderson that a new curb and gutter will not cost quite as much as if the old curb was used. The reason is that with the curb and gutter construction the pavement itself does not have to be quite as wide as would be the case if the old curbing is retained. In other words, the concrete gutter construction is not as costly as the brick paving.

Mr. Newman was not opposed to the paving but was of the opinion that asphalt would be better than brick. The board adjourned the hearing to a latter date with the understanding that the regular procedure would be followed and that the paving will be done this year.

It was stated by the engineer that the cost would not be in excess of the estimate and there was good prospect for lower price. P. J. White mentioned that at a recent hearing in Beardstown the engineer's estimate was \$128,063.22 and the job was let for \$119,000.

Engineer Henderson said he had the assurance that if bids are asked at comparatively early date in Jacksonville that a number of contractors will be ready to bid. Mr. Henderson also mentioned

that a record was compiled at the recent convention of engineers and road builders in Chicago and showed that 236 cities and towns most of them in Illinois, have paving programs for this year larger than is contemplated here in Jacksonville.

Another hearing will be held this afternoon at 4 o'clock for the paving of East State street from Johnson street to the city limits. It is proposed to pave this with brick and the estimated cost is \$20,875. This work is figured separately from the remainder of East State street, because it is entirely new work and there is no old pavement to be removed.

On Thursday, Feb. 2, at 4 o'clock a hearing will be held on the West College avenue pavement from Sandy street, west to the city limits. It is proposed to lay a new asphalt pavement on this street. The estimated cost is \$109,160. A hearing will be held Monday, Feb. 6, at 4 o'clock on the question of paving Jordan street from Fayette to Diamond and Diamond street from Jordan to North street. This is an asphalt project with an estimated cost of \$16,973. Still another job proposed is that of West State street from Webster avenue west to the city limits. It is proposed to pave this with asphalt at a cost of \$9,748 and the hearing is to be held Wednesday, Feb. 8, at 4 o'clock p. m.

RECEIVE POTTERY.

The Art class at the High school has received back their pottery which was sent to the Lewis institute in Chicago several weeks ago to be burned and glazed. Several of the best examples of the work of the class are on exhibition in one of the display cases of the bulletin board at the entrance of the High school.

The pottery includes rose bowls, fern dishes, book ends, paper weights, spill articles. The class bought a barrel of modeling clay in the fall and made these things. They were then wrapped and shipped to the Lewis Institute for the finishing touch.

The class hoped to get them back in time to use them for gifts at Christmas, but they have just arrived.

Mr. and Mrs. John Peters of Mercedia have just ended a visit of three or four days with the former's parents, Mr. and Mrs. Joseph Peters on North Church.

OBTAINS POSITION IN CHICAGO POST OFFICE

Mrs. Laura Lafayette of East Court street, has received word that her daughter, Mrs. Eleanor Lafayette Johnson secured a position in the post office in Chicago. Mrs. Johnson graduated from the Jacksonville High school in 1919 at the age of 16. She then went to Chicago, where she has held a position as stenographer in a large wholesale house until recently. Last fall she took the civil service examination and passed very creditably and this position comes as a result of her efficiency in her chosen work. The new position carries a good salary and her many friends will be glad to know of Mrs. Johnson's success.

WILL BE HERE TODAY.

Wales Finnegan, sub-district manager of the U. S. Veteran's Bureau, located at Springfield, Ill., will be in the city on January 31 or February 1, to confer with local ex-service men regarding their compensation claims' vocational training, insurance and other matters. He will hold his conferences at the Red Cross office in the public library building.

Miss Laura Boylan of Omaha, Neb., is visiting with her family at the Boylan residence on South East street.

WHY SUFFER SO?

Why suffer from a bad back, from sharp, shooting twinges, headaches, dizziness and distressing urinary ills Jacksonville people recommend Doan's Kidney Pills. Could you ask for stronger proof of merit? Ask your neighbor.

Mrs. R. Tywford, 436 E. Lafayette Ave., Jacksonville, says: "I used Doan's Kidney Pills ten years ago and I have had no trouble since. I had severe pains thru my back and a dull, dragging ache seemed to settle in the small of my back. When I would bend over a sharp stabbing pain would take me across my kidneys and it would be hard to get straight again. I also had dull headaches.

My kidneys were disordered too. I read of how good Doan's Kidney Pills were and started using them. They fixed my kidneys up in a good, healthy condition after I had used five boxes and I have not had a sign of the complaint since. This ten-year-old cure speaks well for Doan's and I am glad to recommend them for what they did for me."

MOVIE AT HIGH SCHOOL TONIGHT

The third of the series of five pictures will be shown at the High school this evening. The film, "Going Some," will be shown at 7:30.

After some careful figuring, Principal Snafer has decided that at the present rate of attendance the school will not be able to purchase two of the moving pictures from the receipts of the shows. The student bodies of both the High school and the David Prince have been well represented at the shows but this is not enough. A much larger attendance of the citizens of the city is necessary if the desired object is to be accomplished. It is hoped that the people of Jack-

sonville will take more interest in this undertaking. The art exhibit at the High school has been fairly well attended. The exhibit is still open to the public this morning and this afternoon.

ORDINANCES ARE PASSED BY THE CITY COUNCIL

Bids Soon to be Asked on Garbage Disposal—Question of Sunday Movies Will be Submitted at Election—Committee to Hear Plumbers and Employers.

The city council had a busy session Monday night, as the visitors were numerous and several ordinances were presented for consideration. Roll call showed Mayor Crabtree, City Clerk Scott and Aldermen Williamson, Cain, Chapin, Ehnie, Loneragan, Flynn and McGinnis present.

The second reading was given the new garbage disposal ordinance and a second reading was also given the ordinance calling the city primary election to be held on the 14th of March. Acting on a communication from Stanley H. Wright, the city council decided to submit the question of Sunday theatres at the next regular election.

A communication was received from the Master Plumbers' association asking that one of their organization be continued on the examining board, and another communication was received from the Associated Builders' association, suggesting that their organization be represented on the board.

To Hear Plumbers.

The communications were received and placed on file, and after somewhat extended discussion these communications and a previous communication from the Plumbers' Union, asking the removal of George P. Brown from the board of examiners, were referred to the public health committee. It is the understanding that representatives of the employing plumbers and of the plumbers will meet with the health committee and Mayor Crabtree in an endeavor to iron out the differences that have arisen.

Mr. Brown, who was present, said he had never heard the charges made against him and asked that the communication on the subject be read. This was done by City Clerk Scott, and it was found that the plumbers charge that Mr. Brown was not entirely fair in the matter of examinations, and they asked that he be removed and Charles L. Minter be appointed in his stead.

Truck Line Has Petition.

A communication was read from the Jacksonville & Springfield Transportation Co., which proposes to operate a truck line between the two cities, asking that the city in writing consent to the operation of the line. On motion of Alderman Loneragan, with a second by Alderman Williamson, the matter was referred to City Attorney Bellatti.

The communication of Stanley H. Wright suggested that the question of the operation of theatres on Sunday is one which should be decided by the people, and he asked that it be submitted at the next regular election. On motion of Alderman Loneragan with a second by Alderman Flynn, the council so ordered.

The 1922 Wheel Tax.

Alderman Cain announced that the police department is now preparing to collect a wheel tax for 1922 and that it is the hope to have the greater part of the taxes collected by April 1. This year the ordinance requiring not only the payment of the tax but the display of the tags on the vehicle will be enforced.

The clerk gave the garbage disposal ordinance a second reading and it was adopted. Bids are soon to be asked and the contract will probably be let by wards.

The tax levy ordinance presented at a previous meeting was given a second reading and adopted. The election ordinance was passed, naming the polling places and officials who are to serve in the election March 14.

The ordinance was adopted for Morton avenue pavement. Known as Improvement No. 2, reaching from the corner of Morton avenue and Hardin avenue to the east a distance of 1,000 feet. Bills were ordered paid and some other routine business was transacted.

STATE STREET S. S. CLASS HAD MEETING

Young Ladies' Bible Class Spent Delightful Evening at Home of Teacher, Mrs. Mary T. Carriel.

The Young Ladies' College Bible class of State Street Presbyterian church, had a delightful time Saturday evening at Mrs. Mary Turner Carriel's home. There was a full attendance, with the exception of a few detained by colds.

Besides games and music and other interesting things, there was a description and views of California, a spray and red berries of the pepper tree and views of the mission play at San Gabriel and also Ramona's museum.

Views of the new stadium as planned by the University of Illinois, were shown, as well as views of the long procession to and from the auditorium in 1914 to receive the portrait of the originator of the state university plan, Prof. J. B. Turner, for the Hall of Fame.

Another description also proved interesting of a trip down the Mississippi river to New Orleans and to Florida down the St. John's river, past Magnolia, the beautiful home of Mrs. Harriet Beecher Stowe.

The letter following was in answer to a letter of inquiry from Mrs. Carriel after a trip down this river:

Dear Madam:
It is a vile slander to say that I ever in any shape or form took back the things I said in Uncle Tom's Cabin. I never did. I did not find the southern negro degraded, ignorant or worthless, but considering their advantages, far better than many white people. Please assert these things boldly on my authority.
Your friend,
Harriet Beecher Stowe.

MINISTERS INDULGE IN ATHLETIC STUNTS

Athletics bid to become attractive to many of the ministers of Jacksonville churches. Coach Harmon of Illinois College escorted a number of members of the Jacksonville Ministerial Union thru the college gymnasium Monday and after giving them a talk on "Keeping Fit" explained the games of basketball and volleyball.

It looked so easy and interesting that the Reverend Gentlemen volunteered inducement in the games. They engaged in passing the ball and tossed for the goals with a glow on their faces that took their minds back to their own college days. So well was the sport enjoyed that there is high probability they will tackle the game regularly in the future.

Those who participated in the exercises were: Rev. T. W. Smith, Rev. T. H. Tull, Rev. G. W. Randle, Rev. A. P. Howells, Rev. W. H. Marbach and Rev. George E. Stickney.

GOOD MUSICAL COMEDY AT THE GRAND

Billie Maine's musical comedy players opened a week's stand at the Grand Opera House Monday night. A large audience was present and they enjoyed the play presented from the time the curtain went up until the end. Billie and Marie Maine are the stars and they have surrounded themselves with a number of clever actors and singers. The company has appeared in Jacksonville before and so the players are not strangers to local audiences. Numerous specialties are introduced and musical comedy of a standard seldom played at popular prices is on the bill for the Grand all thru this week.

Tonight "The Divorce Cure" will be presented. A glance at the display advertisement on another page indicates that some unusual features have been prepared for the week.

DR. HANCHER MAKES GOOD START WITH OHIO COLLEGE

Dr. J. R. Harker was interested yesterday in receiving a letter from Dr. J. W. Hancher, who is now directing the campaign for a million dollars to be added to the endowment of the Baldwin-Wallace college at Berea, Ohio. Two offers of \$100,000 have already been made, contingent upon other subscriptions, and in various ways enthusiasm and interest are being shown.

Judging by the records made in all the other campaigns Dr. Hancher and his associates have directed, there is no doubt about the result at the Berea institution.

The letter also mentioned that numerous subscriptions are being made by the people of Berea, realizing as they do the importance of the institution to their home community.

BRIDGE COMPANY HELD ANNUAL MEETING

The directors and stockholders of the Illinois Steel Bridge Co. held the annual meeting and election of officers at 1:30 o'clock Monday afternoon at the company's office. The reports made all indicated a very satisfactory year's business, and excellent prospects for the coming year.

The officers elected for the coming year are:

President—W. E. Crane, New York City.
Vice president and general manager—T. A. Chapin.
Vice president—Nelson Murphy.
Treasurer—E. E. Crabtree.
Secretary—T. W. Beadle.

ANDREW RUSSEL MAKES CONTRIBUTION TO FUND

Mayor F. L. Berger of Meredosia is in receipt of a letter from State Auditor Andrew Russel in which the writer enclosed a check for \$200 to be added to the fund for the proposed plankton of the wagon bridge across the Illinois river. Mr. Russel expressed the belief that the project is not only a good thing for the Meredosia community but for the whole of Morgan county.

MRS. GLENN HOWARD PASSED AWAY MONDAY

Death Comes After Long Illness—Funeral Services Wednesday Afternoon.

Mrs. Glenn W. Howard died at the family home, 207 West College street at 8:05 o'clock Monday morning. Death was due to heart trouble from which she had been suffering for nearly two years.

Throughout her long illness Mrs. Howard was always cheerful and bore her suffering with great patience. She received every care and attention from her husband and other relatives in their efforts to bring her back to health.

Veda Lucille Colby was the daughter of Mr. and Mrs. H. O. Colby and was born in Roodhouse June 15, 1894. She received her education in the public schools graduating from the high school and later from Brown's Business college.

June 14, 1919, she was united in marriage in this city to Glenn W. Howard. After their marriage they made their home in Mason City and Havana. When Mrs. Howard's health began to fail they returned to this city where they have since resided. Since then they have made their home with Mrs. Howard's mother, Mrs. Thomas Waggoner and with Mr. Howard's parents, Mr. and Mrs. C. H. Howard.

Mrs. Howard was a member of Central Christian church and of Jacksonville Lodge No. 13. So long as her health permitted she took an active interest in their work.

Besides her husband she is survived by her mother, stepfather, two sisters, Mrs. Edna McCracken of Alma, Mich., and Mrs. Olive Joy of this city.

Funeral services will be held from the residence, 207 West College street at 2:30 o'clock Wednesday afternoon in charge of the Rev. Myron L. Pontine, pastor of Central Christian church assisted by the Rev. C. D. Robertson, pastor of Centenary church. The Rebekahs will also carry out the funeral ritual of the order. Burial will be in Diamond Grove cemetery.

PROMINENT K. P. OFFICIAL DIES

John J. Reeve received a telegram yesterday afternoon announcing the death at Minneapolis of Fred E. Wheaton, grand Keeper of Records and Seal of the Knights of Pythias of the World.

Mr. Wheaton had been in failing health for several months. He was about 60 years of age and is survived by his widow. Mr. Wheaton had held the position of Grand Keeper of Records and Seal for the past fifteen years.

PAINS ACROSS SMALL OF BACK

Husband Helped in Housework.
Lydia E. Pinkham's Vegetable Compound Made Her Strong

Forest, Oregon.—"I used Lydia E. Pinkham's Vegetable Compound for pains across the small of my back. They bothered me so badly that I could do my work only with the help of my husband. One day he saw the 'ad.' in our paper telling what Lydia E. Pinkham's Vegetable Compound was doing for women, so I began to take it. It has helped me wonderfully. I am feeling fine, do all my housework and washing for seven in the family. I have irregular too, and now am all right. I am telling my friends what it has done for me and am sure it will do good for others. You can use this letter as a testimonial. I will stand up for Lydia E. Pinkham's Vegetable Compound any time."—Mrs. WM. JUNKKE, Forest, Oregon.
Doing the housework for a family of seven is some task. If you, as a housewife, are troubled with backache, irregularities, are easily tired, nervous, irritable, or have other disagreeable ailments caused by some weakness, give Lydia E. Pinkham's Vegetable Compound a trial. Let it help you.

WILL INCREASE SEATING CAPACITY

The Athletic Association Board of Control of the Jacksonville High school met yesterday evening after school, and decided that the association will back the work of making the seating capacity of the gymnasium larger. The proposed plan will increase the capacity from 250 to 300 more.

Briefly the plan is this. The seats on the south side of the gym will be moved forward six inches and another row added along the top. The part of the stage which projects out in the center section will be removed and new seats put in extending from the floor clear to the back of the stage. Work on this improvement will begin immediately. The board of control hopes to have it completed within a few days.

WILL MEET IN CONCORD TOMORROW

The Morgan County Nursing Activities committee will hold its regular meeting in Concord this month, Wednesday evening, Feb. 1st. An interesting health program will be presented by some of the pupils of the Concord schools and a musical program will be given by some of the talent from the State school for the Blind.

The musicians from the school for the blind include: Fred Meyer, violinist; Miss Laurine Dewees, pianist; Ora Dempsey, baritone, and Charles Cowling, cornetist.

The Nursing Committee expects this meeting to be one of the best ever held by the organization.

WILL INVESTIGATE BRIDGE PROJECT

The Chamber of Commerce committee on committees met yesterday morning and appointed a committee including T. A. Chapin, W. E. Sullivan and J. Frisch to meet with County Engineer Baldwin to investigate the cost of the abutments for the proposed wagon bridge at Mercedosia. The Wabash railroad has made an estimate of \$15,000. These men are to investigate the project to see if this sum is the correct amount.

The committee to attend to the raising of Jacksonville's share of the sum was also appointed: V. R. Riley, J. W. Merrigan, W. B. Rogers, Charles Bulver and G. B. Andre are the members.

IMPROVEMENTS BEING PUSHED

Improvements and repairs are being pushed at the building to be occupied by the Rothschild Clothing factory. Much of the necessary work has already been done. The roof has been repaired, and also the heating plant, and the partitions have been removed. Work on the interior decorations will be started immediately.

Mr. Rothschild has wired Mr. Renner in charge of the factory here, that he will ship the machinery just as soon as the building is ready for occupancy. An expert millwright from Chicago will be on hand to superintend the installation of the machinery.

MURRAYVILLE H. S. CLASS HAD REUNION

A very enjoyable event took place Saturday evening in the town of a Reunion of the class that graduated from the Murrayville high school in 1918. It was held at the home of Mr. and Mrs. Guy Smith at Murrayville, Mrs. Smith being a member of the class. As soon as the guests arrived they drew numbers to find their places at the book tables, and progressive took was the order for a time. The first prize was won by Miss Harietta Cox, and Mr. Smith and Edwin Clemmons tied for the booby prize. A great deal of amusement was afforded by each one filling out a Life History Book for some other member of the party and no doubt the books will be highly prized by the ones for whom they were made.

Refreshments were served consisting of Princess Pie and macaroons, also English walnuts, which when opened were found to contain little fortunes, which were read aloud.

As guests of the class were Mr. and Mrs. Edwin Clemmons of Centrailla, Mr. Clemmons being a former teacher of the class. Members of the class present were:

BUYING IN WHEAT

MARKET ACTIVE

By Associated Press.
CHICAGO, Jan. 30.—Buying
power in the wheat market today
was the most active that has
been seen in several months. Es-
timates were current which em-
phasized smallness of farm re-
serve supplies of mill stocks.
The close was firm 1/2 cent to
1 1/4 cent higher, with May \$1.193
to \$1.194 and July \$1.054 to \$1.055.
Corn finished 1/2 to 1/4 cent down and
oats off 1/4 to 1/8 cent.

In provisions the outcome was
5c to 30c advance.
Eastern interests in particular
were accredited with heavy buy-
ing of wheat and a big elevator
concern here was also said to
have taken hold freely as a pur-
chaser. Nevertheless during the
first part of the session the
amount of selling to realize pro-
fits was of sufficient volume to
make prices average lower and it
was approaching mid-day before
turns in price acquired much im-
petus.

Hedging sales against pur-
chases of corn to arrive had a de-
pressing influence on the value of
corn and oats. Besides the
visible supply both of corn and
oats showed a fair increase.

Higher quotations on hogs to-
gether with some export business
inlard did a good deal to lift the
price of provisions.

CASH GRAIN REPORT

RAG PICKER MAY BE NAPOLEON'S RELATIVE

PARIS.—(By The A. P.)—One of the rag and bone pickers of Paris has just made known his belief that he may be a descendant of the Great Emperor Napoleon I. His name is Louis Napoleon Eugene Maximilian Laurent Masson. He is called "Napoleon" and gives as the reason for his use of that name the following explanation:

"My father was a shoe cobbler and second hand dealer who used to rescue dogs' and cats' bodies from the Seine to sell for making grease. My mother was a traveling mender of pots and pans.

"My mother's mother was Rosalie de Mandel, of Spanish origin and noble. Her husband, my grandfather, named Firmin, was from Ireland. They kept an inn at Clethy, in the department of Pas de Calais, where coaches changed horses.

"One evening the Emperor arrived at Clethy and my grandfather warned him to go no further as there were English soldiers about. My grandfather fled and hid in a ravine. My grandmother hid Napoleon in the lower part of our two storied cellar until he could leave in safety. When my mother was born my grandfather always refused to recognize her as his child, declaring that Napoleon was her father.

"You will find a reference to Napoleon's stay in Clethy in Marshal Bertrand's Memoirs with something about the child that resulted from it.

"That's why I am better known as Napoleon and with reason."

OHIO BOY HAS SIX GRANDMOTHERS

ELYRIA, O., Jan. 30.—Howard Merton Unger, four years old, living at Berlin Heights, Erie county, has six grandmothers and probably gets more caressing than any Ohio youngster, as ever since the youngster was born the grandmothers have made it a practice to visit him frequently.

The boy's direct grandmothers are, Mrs. Edna Unger, 49, living in Berlin Heights, and Mrs. Bertha Buckley, 48, living in Kipton, Ohio.

In addition the parents of the boy are blessed with both grandmothers on both sides still alive. Mrs. Mary Buckley, 79, of Oberlin, Ohio, and Mrs. Ella Coven, 79, of Kipton, are the grandmothers of the boy's mother, and Mrs. Marcella Sherwood, 83, of Toledo and Mrs. Elizabeth Unger, 88, of Elyria, are the grandmothers of the boy's father.

ADVENTURES WITH A RADIO

More and more are wireless receiving sets coming into their own.

In the home daily, more and more people in all walks of life, are receiving "right out of the air" the latest news of the world. They "tune in" on their receiving sets and get reports of athletic events, stock quotations, weather reports, listen to dance music, popular songs, or concerts by leading vocal or instrumental artists.

Day and night, the air is full of these transmissions sent free for the enjoyment of all owners of receiving radios.

What finer amusement could you bring into the house than a "radio receiving outfit." It is not only an educator but it is also an instrument of adventures at home.

INCOME TAX FACTS

Forms for making returns of income for the year 1921 have been revised and simplified, and contain instructions which if carefully followed will be of material aid to taxpayers in the avoidance of errors.

Many of these errors are due to misunderstanding of the exemption allowed a head of a family, defined by treasury regulations as a "person who actually supports and maintains in one household one or more individuals who are closely connected with him by blood relationship, relationship by marriage or by adoption, or whose right to exercise family control and provide for these dependents is based upon some moral or legal obligation."

The exemptions allowed a head of a family under the revenue act of 1921 are the same as granted a married person—\$2,500 where the net income for 1921 was \$5,000 or less and \$2,000 where the net income exceeded \$5,000. Circumstances surrounding each individual case determine largely whether a person is entitled to such exemption.

A single person—the term including widowers, widows, and persons not living with wife or husband—is the head of a family if he is the sole support of one or more relatives living in the same house with him, and if he exercises control of household affairs. A married person living with husband or wife, in addition to the exemptions allowed such persons, can not claim an exemption as the head of a family, irrespective of the support of others in the household.

Exemption Not for All

Whether a person who does not continuously live in the same house with dependent relatives is entitled to the exemptions depends upon the character of the separation. If a parent is away on business part of the year or a child or other dependent is away on a visit, the common home being maintained, the exemptions may be claimed. If a parent is compelled to maintain his dependent children with relatives, or in a boarding house, the exemptions may still apply. If, however, the dependent continuously and without necessity makes his home elsewhere than with his benefactor, the latter is not the head of a family, irrespective of the question of support.

A taxpayer who is not the head of a family may still be allowed the exemption of \$400 for each person dependent upon him for chief support, if such person is under 18 years of age or incapable of self-support because mentally or physically defective.

Tax Examples

Following are concrete examples of taxes due under the revenue act of 1921 and circumstances governing exemptions allowed a head of a family and for dependents:

A married couple living together with two children, 10 and 12 years old, had a net income for 1921 of \$4,500. Their tax is \$48, which is 4 percent on \$1,200, the amount of their net income less the exemption of \$2,500 for married persons whose net income was less than \$5,000 plus \$400 for each dependent. The tax on the same income for the year 1920 was \$84.

A married couple living together with two children, 10 and 12 years old, had a net income for 1921 of \$6,000. Their normal tax is \$128, which is 4 percent on \$3,200, the amount of their net income less the exemption of \$2,500 allowed married persons whose net income was in excess of \$5,000, plus \$400 for each dependent. On the same income for 1920 the normal tax was \$144.

A single person living at home and supporting an invalid mother and sister 17 years old had a net income for 1921 of \$3,500. His tax is \$8. He is allowed the \$2,500 individual exemption granted the head of a family whose net income was less than \$5,000, plus \$400 for each dependent. (It should be noted that the \$400 additional exemption for dependents does not apply to husband or wife, even though either one has become a total burden upon the other.) A single man lives with and supports a mother 50 years old and two sisters 19 and 21 years old. He is allowed an exemption as head of a family (\$2,500 or \$2,000, depending upon whether his net income was \$5,000 or less or in excess of \$5,000) but not the \$400 exemption for dependents, since his mother and sisters are neither under 18 years of age, nor mentally nor physically incapacitated.

WEALTHY WIDOW WOULD WED AGAIN

"Now that my stomach trouble has all disappeared since taking a course of Mayr's Wonderful Remedy I would even consider getting married again. I cannot tell you how terribly I suffered before taking this great remedy."

It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allows the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. For sale at all druggists. (adv.)

NORTHMINSTER NOTES

The Luncheon Committee will serve the regular mid-week luncheon Wednesday evening at 6:30 o'clock, the church and Sunday school are expected to attend. The pastor will return from Springfield Wednesday and will attend the luncheon and lead the prayer meeting at 7:30.

The congregation very much enjoyed Dr. Berger's sermons last Sunday. Dr. Bergen is the pastor of the church where the pastor is holding a revival meeting.

WINTER GARDEN IS NOW MISSION

ST. LOUIS, Mo., Jan. 30.—The old Market Street Winter Garden, a cabaret noted for its shooting scrapes, reckless hilarity, and unrestrained drinking of the pre-Volstead days has been converted into a Mission by the Salvation army, and recently was dedicated as the Market Street Mission. While the name of the once famous cafe has been relegated to memories only, the marks of quarrels and hilarious days remain. One bullet hole is yet evident.

The dressing rooms of cabaret singers, "quick change" artists, and other performers have been turned into reading rooms, the walls being lined with shelves of books instead of the brightly colored costumes of the olden days. Religious books, song books, books on architecture, fiction, drama and many others will be found in place of the oil lamp, the grease paint, the ancient eighteen ounce schooner, and the whisky glass.

ONLY THREE DIVORCES IN SOVIET RUSSIA

RIGA, Latvia, Jan. 25.—Three divorces to any one person are considered the limit in Soviet Russia, according to Parley Christensen, of Chicago, candidate for president of the United States on the Farmer-Labor party ticket in 1920, who recently spent a month in Moscow. Mr. Christensen visited several Bolshevik courts.

"It is fairly easy to get a divorce in Soviet Russia," said Mr. Christensen when in Riga, "but I understand the limit is three for each person. If a man or woman has appeared in the divorce courts more than three times, he or she has a very difficult time."

"I visited one divorce hearing. It was extremely simple. The pair was separated in half an hour. On arrival in the court room, the man and woman were separately questioned by the judge. He then got them together and tried to persuade them that their quarrel could be patched up and they might live together. They couldn't see it that way, so the judge took them into another room to sign papers dissolving their marriage."

Mr. Christensen also visited a number of "People's courts," corresponding to police courts in America, where persons are tried for minor offenses. Most of the judges, he said, were dressed in rough clothes, including brown flannel shirts.

GET MORE EGGS

THIS WINTER—MAKE YOUR HENS FOOT YOUR HOUSEHOLD EXPENSES

Your hens will follow their animal nature and refuse to lay eggs during the winter if you do not feed them a Tonic that will tone up their dormant egg organs and condition their system so that they will be able to lay more eggs.

A laying hen needs good health, good appetite and digestion. Feed your hens

McNess' POULTRY TONIC

It gives the hen an appetite and good digestion. It contains Tonics that tone up the dormant egg organs—then that makes red blood and a red comb. It starts your pullets and hens to laying and it keeps them laying. F. W. McNess' Poultry Tonic will make your hens lay more eggs while prices are high.

Don't delay feeding your hens F. W. McNess' Poultry Tonic any longer—it will tone up the egg organs, which means more eggs.

F. W. McNess' Poultry Tonic comes in 4 lb. packages 15 and 30 lb. pails and 100 lb. drums. Sent to anyone upon request C. O. D.
